4 Quality Work Elements

- Enough time to do high quality, effective
- Appropriate recognition for our expertise and
- Appropriate professional learning and development
- Tools, resources, and equipment

- How is your time used?
- What would you like to be recognised for?
- What would this recognition be?
- What professional opportunities do you have?
- What sort of PLD do you get?
- What sort of PLD do you want?
- What tools and equipment do you use?
- How do these things make a difference to children's learning?
- Now think about what is similar and what is different for you in your actual role?
